

BATEMANS BAY 40th WINTER CARNIVAL 2010.

This year 16 Ashy members travelled to Batemans Bay for two weeks of bowls and sightseeing. Also in our “group” were former Ashy members Judy & Ernie Banks now of Metung and Dawn Goldsacks brother Kevin Fewster and his wife Irene from Berwick.

Unfortunately due to poor management, the Bowls club have gone bankrupt but have been saved by the Catalina [local] Golf Club who have taken over and saved them from closure. The tournament continued as normal and the clubs future seems sure to continue without interruption. Although the weather was cold the middle of the days were mostly sunny and warmer than Melbourne.

Ashburton members were prominent on most days with several wins and placings as follows :
