

Ashburton Bowls Club & Jim Wong Pharmacies

Jim Wong Pharmacies, of High Street (Ashburton) and off Stevensons Road in Glen Waverley, provide a full pharmaceutical range and services, from Prescription medications, non-script medications, passport photos, and more!

Many of our members currently use Jim Wong as their chosen pharmacist, and have this to say about Jim Wong Pharmacies:

“I always find a quick and accurate service with a smile, whether it be for Prescription or non-script items. Jim, Alison and Genna at Ashburton are only too happy to be of service, and have helped me greatly in the past 5 years with my many and continued chemist needs.” (Geoff Close)

“Jim Wong and his staff have been my chosen chemist, from a range of 4 in Ashburton, for many years. I can’t remember a time that Jim hasn’t been able to help me out, with my requirements for medical items” (John Edwards).

“Jim Wong’s staff and service are great – we use their Glen Waverley chemist for all our requirements, and have found their service and medications to be second to none!” (Janet and Norm Barnes).

If you are looking for a new chemist or pharmacy, or need the specialist service that only a fully trained chemist can provide, then look no further than Jim Wong Pharmacies in Ashburton or Glen Waverley. You won’t be disappointed!
